Apple Pressing

We made scrummy Apple juice from the apples we all picked from our orchard. Children learnt :

- * Where our food comes from
- * How We can change what our food looks like and make it taste different
- * To Explore new tastes and textures
- * To work together to achieve a goal
- * To use tools safely, using our muscles in our arms to crush the apples and squash them.

Thank you so much to so many of our grandparents, parents and carers for all your help to make some yummy juice!

Remember to ask your child to share and look at their learning folders which are in the classrooms for you to view at any time during drop off or pick up times.

Part of our focus this term is supporting children to be independent.

This includes putting on trousers and doing up their coats, putting on their shoes and wellie boots.

You can greatly support your child in this area by providing footwear that has Velcro instead of laces.

Remember to make use of our library. Chose a book with your child daily or as frequently as required to develop their love of stories, imagination.

Parking

We need your help to keep our Nursery safe during busy pick up and drop off times , you can do this by:

- ♦ Not using the car park to turn around.
- ♦ Not using the car park to drop your child off.
- ♦ Not Parking in Trelawney Court drive.
- ♦ Not using Trelawney Court to turn around in.

If you do travel to school by car, there is generally parking further down the Glebe.
Please help us to keep everyone safe.

Pop in and see what we have been learning by having a look at our learning wall by the cooking area. See children's interests, curiosity and learning through their play.

Sunshine Room

Monday - Little Learners 10.00 - 11.30
Stay And Play 1.15 - 2.45
Tuesday - Stay and Play 1.15 - 2.45

Rhyme Time!

We sing rhymes everyday they help children learn about letters & sounds.

They are also great fun!

There's a worm at the bottom of my garden,
And his name is Wiggly Woo.

There's a worm at the bottom of my garden
And all that he can do

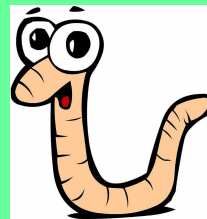

Is wiggle all day and wiggle all night--

The neighbours say what a terrible fright!

There's a worm at the bottom of my garden,
And his name is Wiggly,

Wig-Wig-Wiggly,

Wig-Wig-Wiggly Woo!

Dates For Your Diary Autumn Term

Wednesday, 7th October Pushchair to Primary
Parents course starts

Thursday, 22nd October School photographs - individual

Friday, 23rd October Break up for half-term

Monday, 2nd November Children return to school

Friday, 18th December Break up for Christmas

Monday, 4th January Children return to school

Makaton

This week we have been learning the signs :
Worm & Spider
