WORLD BOOK DAY

3 MARCH 2016

Parents are welcome to come in with their child and join in with our book fun

We took the older Children to Portreath for beach school this term. We went on a treasure hunt and found lots of different objects! Shells, rope, seaweed and feathers.

We had a visit from Sandy one of our local firefighters. He explained to the children what he wears and how it protects him on jobs. Sandy also taught the children how to stay safe and what to do if in a fire!

Emma was invited to visit the university of
Santander in northern Spain over the holidays.
The trip included a visit to a primary school
and meetings with Spanish teaching students.
We were lucky to have two Spanish teaching
students complete an internship with us last
year. We will be having another student next
year. The aim is to share good early years
practice and for our children here at the
nursery to learn about Spanish Culture and a
few words of Spanish.
