We are so proud of our amazing
Ofsted report.
Please have a look.

Home base time

We have decided to move our

teachers in the change of routine.

We will be looking at children's movements and how young children develop up to 5 years.

This includes large & small movements, early writing and mark making.

We will see how we can support and develop these at nursery and home.

Please feel free to share your child's Learning Journal at 8.45-9.15 or 12.30-1.00 or at the end of your child's session. This folder can be found in your child's Homebase group in the book case - ask a member of staff or your child for help!

Parents are invited to change their child's library book at the beginning of a session.

Chicks

After half term we are hoping to incubate chicken eggs.

Is anyone interested in taking the chicks after they have hatched?

Or do you know someone that would take them?
