## Forest School

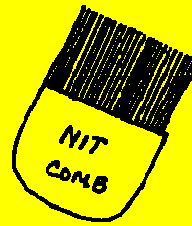

The children have been looking at camp fires. We have explored some of our senses listening to the sound of the fire and smells it created. The children made a list of food we could put on the fire which we will be looking at after Easter. We discussed how the fire is made and listened to a story around the campfire.

Please check your child's hair on a weekly basis as we have had an outbreak of Nits! Them Pesky Critters!

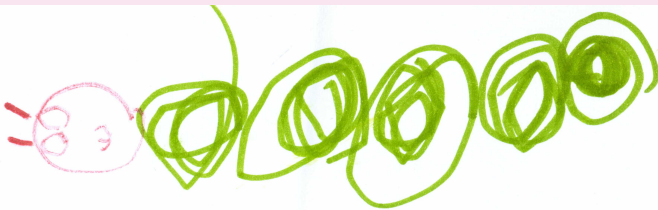

- Use a comb e.g. nitty gritty comb
- (free on prescription from the doctor)
- Wet your child's hair, apply conditioner and comb downwards.
- If head lice are detected, check everyone else in household .

Lets beat them together!

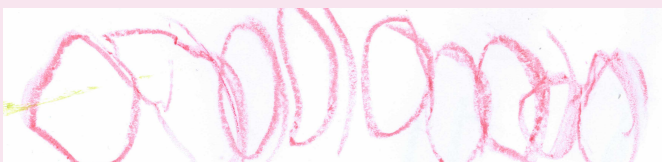

In the classrooms we have our own Caterpillars. We have been looking at their life cycle and reading *The Very Hungry Caterpillar*.
