**Rhyme Time!**

We sing rhymes everyday they help children learn about letters & sounds. They are also great fun!

Incy wincy spider climbed up the waterspout,  
Down came the rain and washed poor Incy out,  
Out came the sunshine and dried up all the rain,  
And Incy wincy spider climbed up the spout again.

This year we are going to focus on supporting children with their speaking and listening skills.

We are encouraging children to ask questions such as What? Where? Who?

Help your child by asking short questions such as who's that? What's that? Or where is? As you look at pictures in a book or play with toys.

For our older nursery children we are encouraging them to use larger questions with words such as "because " and "and". We are also talking about what they are doing now , what might happen later or tomorrow.
