Newsletter

10th November 2017

Please sign up for a Time to Talk meeting with your child's teacher and key worker. The sign up sheet is in the cloakroom. This is a chance for you to look through your child's learning journal, find out more about their progress in nursery and ask any questions that you may have.

With the norovirus season approaching and a lot of sickness bugs going around, can we please remind you that if your child gets poorly they must not come back into nursery until they have been free from symptoms and sickness for 48 hours. This is to minimise the chance of it spreading through the nursery.

Next week we are starting a new library book borrowing service. Please look out for the letter with all the details on it!

We are now part of Operation Encompass, a project run by Devon and Cornwall police. Operation Encompass will contact the school first thing in the morning if a child has been exposed to or involved in a domestic abuse incident. This means we can offer the best support possible and we believe this will be extremely beneficial for all of those involved.

On Friday 17th November we will be raising money for Children in Need. Please feel free to come in wearing fancy dress and if you do, a small donation would be appreciated.

You can also donate old pound coins if you still have any.

Here are some photos of the children last week, all dressed up for Halloween and on their trip to Tehidy Woods.

Can we please remind parents that they are not to use the staff car park. This is for the safety of the children when they are walking to and from the nursery.

Also if you are going on holiday please let us know one month in advance and you will not be charged for any sessions that you pay for.

Redruth Children's Centre is holding a drop in session on Monday 13th November 10.00am to 12.00pm, helping people get back in to work and applying for jobs. They can offer 52 weeks of support, help to build your confidence, prepare your CV and give advice on skills, training courses and exclusive vacancies.
