Suggestions for a healthy lunch box

- A portion of fruit or one portion of vegetables
- A sandwich/wrap/pitta bread containing egg, cheese, meat or fish
- Pasta/rice or crackers
- One portion of dairy foods such as milk, cheese, yogurt or fromage frais

Packed lunches should not include:

- Confectionary such as chocolate bars and sweets
- Fizzy drinks
- Processed meats such as sausage rolls should only be included in a lunch box occasionally

Please try and avoid putting too much food in your child's lunch box. This can be overwhelming for them and makes it difficult for them to know what to eat.

Milk and fresh water is available to them at all times

During summer months an ice pack could be put in your child's lunch box to help keep it fresh
