

Newsletter

14th September 2018

We are open from 8.00am to 5.00pm.
Breakfast and after school club is available everyday!

Welcome Back!

We are very happy to see everyone back at nursery and we hope you had a great summer holiday.

We'd also like to wish a big welcome to all of the new families who are starting nursery this term.

Thank you to the parents that have made a snack donation or brought in food.

We really need donations to help us to continue providing the children with a healthy snack during each session.

We are asking if you could please:
Donate £5 a term

or

Donate apples, carrots, pears, grapes, pears, crackers or pitta bread.

Thank you.

DIARY DATES

Monday 1st October

School photos

Thursday 11th October

Last day of term (the nursery will close at 11.45am on this day)

INSET DAYS (nursery closed)

Wednesday 16th January 2019

Monday 17th June 2019

We have a fantastic new bug hotel in our orchard!

On Monday 1st October Tempest will be here to take the children's individual school photographs.

If your child does not attend nursery on a Monday you are welcome to come in to have a photo taken.

All of the staff have just completed a two day paediatric first aid course.

We can only administer medicine at school if it has been prescribed by your doctor. If your child has asthma and needs a pump in school please see Emma or Carrie. Please ensure the pumps are in date.

May we please remind parents that they are not to use the staff car park. Thank you.

If any parents or family members would like to volunteer at the nursery please speak to Emma or Carrie. Any help with reading, planting in the orchard or helping out in the garden is always appreciated!

Here are some lovely photos of the children learning about woodwork. It is great for developing children's hand-eye coordination, pencil grip, concentration, and understanding instructions. We use child appropriate tools and thin balsa wood. (All of the staff have carried out risk assessments and full training!)
