25th November, 2019

Dear Ms Robinson,

The Duchess of Cambridge has asked me to thank you for your very kind and informative letter of 1st November and for taking the trouble to write to her about Camborne Nursery School.

As you might know, Her Royal Highness is passionate about children's early years, and about ensuring that the youngest members of society are provided with nurturing environments which care for their emotional wellbeing and enable them to connect with nature for its therapeutic (and fun!) benefits. The work that you and your colleagues are doing at Camborne Nursery School sounds like a wonderful model! To have won from Ofsted the description "magical" is a great tribute to the hard work that goes into creating such a special place.

Unfortunately, The Duchess's diary is planned months ahead and sadly does not currently allow for a visit to your part of Cornwall. However, she would have me wish you and your team all the very best for future success and to send warmest thanks for all your wonderful work in support of children's early years. Please also thank the children of Camborne Nursery School for the lovely hand-made card and beautiful pictures they sent to Her Royal Highness.

With kind regards.

*Yours sincerely
Catherine Quinn*

Chief of Governors, Camborne Nursery School
