

Newsletter

22nd May 2020

Hi Everyone,

We have loved looking at your photos. Please keep sending them into Debbie over the next few weeks and we will put them on our newsletters to share. Thank you for taking the time to share them with us. We love seeing the children.

Over the next weeks things may change and some restrictions may be lifted but we want you all to stay safe and stay healthy.

We will be sending out more links to videos of the teachers reading and singing. We will be sending out ideas of how to support your child's development as well as how to keep them happy.

If you need any resources such as paper, pens, scissors or glue please let us know and we can provide these for you. If you need any books to share with your child please let us know and you can collect them from the Nursery. If you would like to talk to a member of staff please contact Debbie by email (secretary@camborne-nursery.cornwall.sch.uk) and she will ask them to call. If you need any help with your child's behaviour or have any concerns over food or clothing just let us know. We are here to help in any way.

We want to have all children back in our Nursery as usual but recognise this is not possible at the moment. We have limited spaces for a few children at the moment and we hope over the next few weeks we can offer more children the opportunity to come back if you decide this is the best option for them.

I want to reassure you that your child has a guaranteed place here at the Nursery and we look forward to seeing them in the future.

If you would like to see the safety measures we have put in place you can read our Risk Assessment on the website. Click on the link below.

If not have a look at the videos the staff have made, they are a lot more fun!

All the staff here at Camborne Nursery wish you well and can't wait to see you soon.

Have a happy half term.

Emma
