15th June 2020

Hi Everyone,

We hope you are all well. We miss you and can't wait for the Nursery to be back to normal. We have been putting videos and links on our website for activities you can do at home.

Your Health Visiting Service

Pregnancy and their first 5 years is an important time for your child, when the foundations of their future health and wellbeing are laid down.

Health Visitors provide expert information, assessment and intervention for all families with children under 5 years old. We have an essential mix of skills, and we work in partnership with maternity, GP, primary and secondary care, social care, early years providers and voluntary agencies.

What can you expect?

- Antenatal
- New birth visit
- 6-8 week review
- 9 -12 month review
- 2 - 2^{1/2} year review
- Family wellbeing
- Maternal mental health
- Child health clinics
- Signposting and access to additional support

**We want to work in partnership with
you to ensure your child gets the best start**

IT'S NOT UP TO HIM TO SPEAK OUT

It's hard to hear, but most children and young people who are sexually abused are abused by someone they know

This could be a family member, friend or someone in a position of trust and authority.

If you think something's not right, contact the Multi Agency Referral Unit today on **0300 123 1116** or email **multiagencyreferralunit@cornwall.gov.uk**
