30th June 2020

Hi Everyone,

I hope you are all well and keeping safe and beginning to enjoy some of our new freedoms.

Remember the Nursery is open from Monday to Thursday if you need to phone or speak to anyone. 01209 713607.

We have no spaces for additional children at the moment as our "Bubble Classes" are full. We are looking forward to further guidance from the government about how we can manage class sizes in September. We will be phoning you this week to talk about hours for September.

We love seeing your photos so please keep sending them to Debbie.

We look forward to seeing you again soon.

Best wishes

Emma

Here are some ideas for keeping busy as the lockdown eases.

Thank you for sending in your photos!

Some great pictures of the children in nursery and at home taking part in our Book of the Week activities.

Here is a YouTube video with ideas for fun things you can do at home with play dough and pasta.

Your Health Visiting Service

Pregnancy and their first 5 years is an important time for your child, when the foundations of their future health and wellbeing are laid down.

Health Visitors provide expert information, assessment and intervention for all families with children under 5 years old. We have an essential mix of skills, and we work in partnership with maternity, GP, primary and secondary care, social care, early years providers and voluntary agencies.

What can you expect?

- Antenatal
- New birth visit
- 6-8 week review
- 9 -12 month review
- 2 - 2^{1/2} year review
- Family wellbeing
- Maternal mental health
- Child health clinics
- Signposting and access to additional support

**We want to work in partnership with
you to ensure your child gets the best start**
