

Newsletter

19th October 2020

26th to 30th October is half term.
The nursery will be closed.

I hope you enjoy looking at the pictures of your children on this newsletter. I want to thank all the staff for all their hard work this half term providing the children with a rich variety of activities and learning.

We will be contacting you next term so you can meet teachers to discuss your child's progress. This may be done online or over the phone.

Please remember to follow government guidelines for Covid 19, we have attached a simple flow-chart for you to follow. If you have any questions please phone or email.

Do you have a child born **between 1 September 2016 and 31 August 2017?**

If so, you will need to apply for a place in a reception class in September 2021 for that child by the deadline of **15 January 2021**.

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
