MESSAGE FROM CORNWALL COUNCIL

The number of infections is reducing in Cornwall because we have seen our residents respecting the social restrictions in place during the third lockdown. Thanks to this, we have slowed the spread of the virus through our communities, and for that we are thankful.

However, as the surge in cases in late December and January showed, if Cornwall lets our guard down infection rates can spiral quickly, and we could soon find ourselves back where we started.

Therefore, we are asking all residents, especially parents and carers to continue to respect the lockdown rules, especially during half term. We know this is a challenge, especially for those parents and carers who are home schooling and we understand the temptation to relax while the pressure of teaching is not there for a week.

However, we have done so well since January and we simply can't afford to throw all of that hard work away. We are asking those who are on a half term break to avoid travelling distances in the car and "explore from your door" instead.
