12th March 2021

It has been so wonderful to welcome back all of the children this week. Tamsin's class have been planting tomatoes, peas, radishes and sunflowers. Carrie's class have been busy doing some woodwork and looking at farm life. Katie's class have been enjoying the new sensory room.

Now that drop off and pick up times are busier again, we must all make sure that we are socially distanced and wearing face coverings.

SNACK

We are providing snack for all of the children. If you would like to help us by donating bananas, satsumas and small apples it would be really appreciated.
