5th March 2021

Spring has finally arrived and the children are looking for worms, planting bulbs, discovering how seeds grow and learning about bugs. We have had a great week. We are looking forward to more children returning next week. We are still unable to allow parents into the nursery and ask you to please wear a face covering when dropping off and picking up. If you have any worries or questions please don't hesitate to contact Emma or Debbie on 01209 713607.

Thank you for all your kind messages of support during the last year we have really appreciated your support and flexibility during this period. I know the staff here at Camborne Nursery have worked hard to keep the nursery open and offer the children a joyful safe learning environment.

SNACK

From Monday 8th March we will be providing snack for the children. This will be a fruit and a drink of milk or water. We will also be harvesting vegetables and fruit from our orchard through the summer months for the children to try. Please continue to provide a packed lunch with a drink if your child stays all day. If you would like to donate fruit bananas, satsumas and small apples would be helpful.

ILLNESS

If your child is ill please keep them safe at home. We ask you to protect our staff and children. This is advice from NHS England:

Diarrhoea and vomiting can spread easily. Stay off school or work until you've not been sick or had diarrhoea for at least 2 days.

SELF CARE

This is a stressful time for many families as schools reopen fully. Please remember to look after yourself. Here are some top tips to keep you sane during this stressful time. Remember you are not alone and if you need to talk through any problems we are here to listen and may even be able to help. Contact Emma or Carrie on 01209 713607 or email head@camborne-nursery.cornwall.sch.uk

CORONAVIRUS ADVICE

The single most important action we can all take is to **stay at home** to protect the NHS and save lives.

You can also help by:

- ♦ Staying apart
- ♦ Wearing a mask
- ♦ Washing your hands
- ♦ Getting a test if you have Covid 19 symptoms

If you need to book a test you can call 119 or go to:
<https://www.gov.uk/get-coronavirus-test>

WINTER COVID GRANT

If you are in need of some financial help you may be eligible for a Winter Covid Grant of up to £1500. This could help with things such as:

1. Food
2. Energy and water bills for household purposes (including drinking, washing, cooking, central heating, and sanitary purposes) and sewerage.
3. Other essentials (including sanitary products, warm clothing, soap, blankets, boiler service/repair, purchase of equipment including fridges, freezers, ovens, etc.)

For items relating to home heating such as fuel bills or breakdown in heating equipment such as oil tanks or boiler repair please contact Community Energy Plus by emailing advice@cep.org.uk or phoning 0800 954 1956.

For help with food and other essential household items visit:
