Please phone Debbie on 01209 713607 to book a place (limited to 12 families)

### **SURVEY OF CHILDREN AND YOUNG PEOPLE**

This is the largest ever survey of children and young people in England. It is going to be used to show the government what children and young people think, and what they need to live happier lives.

The survey will only take 5-10 minutes. There are 4 sections, one for each of the age ranges, and there is also a link to the adults survey for parents and carers.

Please do promote this survey to children, young people and families to encourage them to complete it
