We will be handing them out and would be grateful for any feedback about how we can make changes or improve our practice. Thank you.

GOVERNOR VACANCY

Would you like to be part of a team improving our Nursery School?

We have vacancies for new parent governors. If you would like to be part of our governing body, you will help with strategic decisions in the school.

We ask you to attend 6 meetings a year and to attend training if and when needed. This is an unpaid role but any expenses such as travel costs can be reimbursed.

We are looking for someone who is enthusiastic, passionate about early years education and has a desire to help our families and community.
