5th July 2021

Hi everyone. We have had a positive case of COVID 19 in the nursery. One bubble has been closed until Friday 9th July. **Carrie and Tamsin's class are open as usual.** We have followed guidance from the Department of Education and Cornwall Council. If you have any concerns please phone us on 01209 713607.

I would like to thank you all for keeping us safe here at nursery. The COVID cases in Cornwall have been rising. The message is to keep social distancing, wear your face mask when you pick up and drop off and wash your hands.

We have been grateful for all your cooperation when children have had COVID symptoms. You have been and got PCR tests and also let us know the result. This is very important as we try to keep our classroom bubbles safe.

We ask if your child has any other illness that you keep them home until they are better. At the moment we have some children off with colds, sickness and coughs. We can stay open if we can stay well.

Thank you for your help in keeping everyone safe.

END OF TERM PLANS

Your class teacher will be contacting you with information about the last few weeks of term. **We will be shutting the Nursery for the summer holidays at 1.30pm on Friday 23rd July.**

If you have any difficulties collecting your child at this time due to work commitments please let Debbie know and we can arrange after school until 3.15pm. We hope you have a healthy, restful and fun packed holiday and look forward to welcoming you back on the **Tuesday 7th September 2021.**

(If you pay for your nursery sessions, the afternoon session on Friday 23rd July has already been taken off your invoice for July.)

SPACES AVAILABLE IN SEPTEMBER

We have spaces available in September 2021. If you have any younger siblings that are due to start please come to reception and get an application form. If you have any friends/family that would like to start they can arrange to look around the nursery by calling 01209 713607.

THANK YOU

Tamsin would like to thank Becky's dad for his generous donation of post office supplies for our role play area. The children really enjoyed using it all!

Also thank you to Elijah's family for the kind donation of a planter for our nursery garden. We really appreciate your generosity.

Row, row, row your boat, gently down the stream,
If you see a crocodile, don't forget to scream!

Row, row, row your boat, gently to the shore,
If you see a lion, don't forget to roar!

Row, row, row your boat, gently down the river,
If you see a polar bear, don't forget to shiver!

PARENT GOVERNOR VACANCY

Would you like to be part of a team improving our Nursery School?

We have vacancies for new parent governors. If you would like to be part of our governing body, you will help with strategic decisions in the school.

We ask you to attend 6 meetings a year and to attend training if and when needed. This is an unpaid role but any expenses such as travel costs can be reimbursed.

We are looking for someone who is enthusiastic, passionate about early years education and has a desire to help our families and community.

Tehidy Country Park Story Trail

A brand new adventure is around the corner in Cornwall for children aged 2-5 at Tehidy Country Park.

About this event

The story trail Tehidy Country Park in Camborne is based on a bespoke story about the local area written by children's author Rebecca Lewis-Oakes and illustrated by Aaron Cushley. It will lead families around the park as they follow the adventures of Uncle Josh, Mia, Kai and their dog Scruffy. This brand new immersive experience will also aid the learning of the children's language and literacy development as they follow the story around the park.

All families, carers, guardians and early years settings are invited to come and experience the trail, picking up the bespoke booklets from us which will start them on their journey.
