HALF TERM and INSET DAY

Half term is Monday 21st to Friday 25th February.

We have an INSET day on **Monday 28th February**.

The nursery will be closed on these dates.

Hi Everyone,

The children have been spending time outdoors this week. They have been building with our big blocks, joining in with woodwork, looking out for birds and changes in the weather. Spending time playing outside can help children with their physical development but also their emotional wellbeing. The children have also been building up their independence by putting on waterproof trousers and welly boots.

COVID UPDATE

If your child has COVID symptoms such as:

- high temperature
- cough
- loss of taste and smell

The government guidance is to get a PCR test.

We know that local schools have had to shut classes over the past few weeks as cases have been high. We have continued to remain open throughout the pandemic and we hope to keep everyone here at Camborne Nursery School safe. All our staff are working hard to keep children and colleagues safe by ventilating classrooms, washing hands regularly, and keeping safe distances apart. Together we can get through this and we all want to thank you for helping us.

WE NEED YOUR HELP!

We have two vacancies for parent governors at Camborne Nursery School. This is a voluntary role to help make key decisions for our school. You would need to attend two meetings a term and be able to bring ideas, enthusiasm and suggestions to help us move forward. Your role would be to challenge and support the leadership at Camborne Nursery School. If you would like to be part of our governing body please speak to Emma.
