19th October 2022

Hi everyone,

The children have had a lovely time in the garden, collecting leaves and making pictures. They have also been investigating pumpkins and seeds, finding out what makes a pumpkin grow and how acorns grow into trees. The children have been fascinated using magnifying glasses to inspect a little closer.

Next week is half term and we hope you all have a healthy week. The nursery will be closed and we will see you back on Monday 31<sup>st</sup> October.

Emma  
(Headteacher)

### INSET DAYS

The nursery will be closed on Monday 14th and Tuesday 15th November.

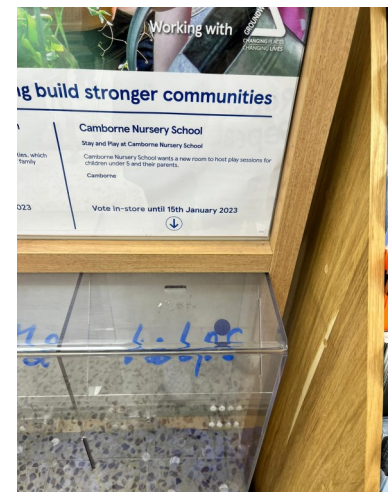

### TIME TO TALK MEETINGS

Your child's teacher will be contacting you to arrange a meeting to talk about your child's learning and development. We call these meetings "Time to Talk" meetings. This is a great opportunity to talk about your child and celebrate their progress, and also an opportunity for you to talk through any changes to hours or ask questions. We will arrange a time to come to your house and share your child's learning journal with you and your child. Please speak to your child's class teacher if you have any questions about these meetings

### TESCO COMMUNITY GRANTS

Do you shop at Tesco in Camborne? If you do, please look out for us on the community grants scheme (the blue tokens). After any purchase you can ask for a blue token and vote for us.

The more votes we get, the more money we will be given. We are hoping to put the money towards completing the transformation of our new Stay and Play room, which we also use for smaller group activities during nursery sessions, as well as for breakfast and after school club.

# Do you have a child born **between 1 September 2018 and 31 August 2019?**

If so, you will need to apply for a place in a reception class in September 2023 for that child by the deadline of **15 January 2023**.

**Please note:** you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
