

Newsletter

12th February 2025

I would like to thank you all for being so supportive over the start of the year. We really appreciate you helping us to minimise illness across the Nursery School.

We are looking forward to Spring finally starting and have been planting some beans and bulbs with the children. If you have any spare vegetables seeds, we would welcome them for our planting beds. If you are a keen gardener and would like to help in any way, please speak to a member of staff. Spring is a great time to really look out for changes when you are out and about with your child. Talking with your child about the buds on trees, daffodils and new growth is easy if you take a few minutes to stop, look and chat.

Also, a big thank you for all your donations of salt, flour and oil for playdough and also all the delicious fruit for snack. We are very grateful.

As you know all the staff at Camborne Nursery work really hard to make everyday a wonderful, warm, exciting environment for the children. We know that Class DoJo is a really important way of communicating with our families.

Please note that staff are unable to message parents on email or DoJo outside of school hours 8.00am - 5.30pm. If you need to leave a message on our phone, call 01209 713607. Debbie checks the messages every morning at 8.00am.

And finally have a great half term holiday next week!

Emma (Headteacher)

HALF TERM

Don't forget that it is half term next week. The nursery will be closed. Check out the posters at the end of this newsletter for some upcoming activity ideas.

WANTED-TROUSERS, SOCKS AND WELLIES!

As you know we like to explore and sometimes get messy. If you have any old children's trousers or socks for our spare clothes box we would be very grateful for your donations. If you have any spare wellies that would also be really helpful. Thank you!
